

Guard Level® 07324 MaxiView™

Rectangular Sight Glass

- All stainless steel construction
- Largest wiped viewing of any sight glass . 30% more clean area than nearest competitor
- 1/2" thick tempered glass prevents cracked glass problem with other manufacturer
- Raised glass prevents water accumulation and allows for easy cleaning
- Fits on other manufacturers existing rectangular mounting flange allowing easy retrofit
- Wiper blades are in constant contact due to novel roller guide design
